Yes, I Will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against

For all my days
Yes I will

Peace Be Still

I don't want to be afraid
Every time I face the waves
I don't want to be afraid
I don't want to be afraid
I don't want to fear the storm
Just because I hear it roar
I don't want to fear the storm
I don't want to fear the storm

Peace be still
Say the word and I will
Set my feet upon the sea
Till I'm dancing in the deep
Peace be still
You are here so it is well
Even when my eyes can't see
I will trust the voice that speaks

I'm not gonna be afraid
'Cause these waves are only waves
I'm not gonna be afraid
I'm not gonna be afraid
I'm not gonna fear the storm
You are greater than its roar
I'm not gonna fear the storm
I'm not gonna fear at all

Peace peace over me

Let faith rise up
O heart believe
Let faith rise up in me

New Wine

In the crushing in the pressing
You are making new wine
In the soil I now surrender
You are breaking new ground
(You are breaking new ground)

So I yield to You and to Your careful hand
When I trust You I don't need to understand

(So) Make me Your vessel
Make me an offering
Make me whatever You want me to be
(God) I came here with nothing
But all You have given me
Jesus bring new wine out of me
Jesus bring new wine out of me
Jesus bring new wine out of me

'Cause where there is new wine
There is new power
There is new freedom
And the kingdom is here
I lay down my old flames
To carry Your new fire today
